SIZE AND COMPLEXITY OF CASES "I don't think there are a lot of law firms out there trying as many serious cases as we are," notes Jackson.

Whether in state or federal court, Ware Jackson manages lawsuits from the beginning, but is no stranger to parachuting into matters on the eve of trial. Ware Jackson can handle complex litigation matters alone, in conjunction with in-house counsel or as partners with outside counsel.

Whether the litigation is just beginning or the verdict just came in, you want Ware Jackson there with you.
